Homilies for Weekdays

Three volumes: Year I Year II
Solemnities, Feasts, and Memorials

Don Talafous, OSB, PhD

Looking for homily suggestions that faithfully represent the Scripture readings and offer hearers of the text practical applications for Christian life? Homilies for Weekdays contains creative suggestions of what a homilist might say about the daily readings following the Lectionary cycle. This extensive compilation for each day is a result of Father Talafous' many years of experience in preparing homilies. Written on both a popular and pastoral level, these homily ideas may also serve as daily reflections or meditations on the Scriptural texts for readers interested in nourishing their Christian lives with Scripture.
