### Guide for Ushers and Greeters

*Paul Turner & Karie Ferrell*

Ushers and greeters need training so that they are able to respond graciously to the needs of everyone who comes through the doors of your church. The *Guide for Ushers and Greeters* helps you to form liturgical ministers in this important ministry. Similar to the other guides in this series, this book is presented in a pastoral, inviting format and style. It includes: A basic theological and historical overview of the ministry; Liturgical catechesis about the role of ushers and greeters in the context of the various parts of the Mass; Inspiration and advice for becoming faith-filled participants in the Mass; Detailed, practical descriptions of duties. Answers to frequently asked questions, a glossary, and prayers are also included.

*Saddlestitched, 6 x 9,*
