

The Archdiocese of Newark  
presents  
**Parish Pastoral Council Training Workshops**

Parish Pastoral Councils are essential to parish life in assisting in developing the mission of the parish and planning for the future. The Archdiocese is offering workshops to look at the purpose of Parish Pastoral Councils, how to form the councils, ways to do practical parish planning, and best practices of successful councils and parishes.

These workshops will help you improve your already existing councils or assist you in starting a council.
