Knowing the People in Your Parish  
A Simple Survey of Gifts & Needs

The following information will help in two ways. First, so we may understand your needs and expectations of the parish. Second, by knowing the gifts and interests within the parish, we are better able to be a Eucharistic community, where the gifts of many are shared for the benefit of others.

❖ What are the occupations of the adults in your family?

❖ What education degree does each adult have?

❖ What are the special interests of your family? Please specify children and adult.

❖ What are your family members’ hobbies? Please specify children and adult?

❖ What does your family expect or need from the parish?

❖ What ministry experience do your family members have? Please specify for each person.
