
What significance does
the Eucharist have for
the life of Catholics?

“Eucharist is reserved in churches or oratories to serve as the spiritual center of a religious community or parish community, indeed of the whole Church and the whole of mankind, since it contains, beneath the veil of the species, Christ the invisible Head of the Church, the Redeemer of the world, the center of all hearts, ‘by whom all things are and by whom we exist.’

“He is in the midst of us day and night; He dwells in us with the fullness of grace and of truth. He raises the level of morals, fosters virtue, comforts the sorrowful, strengthens the weak and stirs up all those who draw near to Him to imitate Him, so that they may learn from his example to be meek and humble of heart, and to seek not their own interests but those of God.”
