**Volunteer Opportunities at New Eyes for the Needy**

New Eyes for the Needy welcomes volunteers to come to their facility in Short Hills, NJ to assist in providing clear vision to the poor worldwide. Volunteers are trained to sort, classify and package used eyeglasses that are donated to New Eyes from all over the US. The eyeglasses are then shipped to missions throughout the developing world and properly distributed to needy individuals.

For those unable to travel to New Eyes to volunteer, we encourage individuals to contact us to receive information on how to run a collection drive for used eyeglasses. Get the whole community involved and help us help others to see more clearly! Please call 973-376-4908 or visit our website at [www.neweyesfortheneedy.org](http://www.neweyesfortheneedy.org)

*The mission for New Eyes for the Needy is to purchase new prescription glasses for poor children and adults in the United States and to recycle donated glasses for distribution to indigent people overseas. New Eyes has been helping the poor since 1932*
