Foreword

You, the Parish Respect Life Representatives/Coordinators, are essential in building a culture of life!

Parish Respect Life Coordinators and their Committees provide resources to their parish on life issues, actively evangelize their fellow parishioners on the life issues, and support their pastor and priests in making pro-life prayer and activity visible and viable at the parish level.

In consultation with the pastor, the Parish Respect Life Coordinator organizes and implements the efforts of the Bishops' Pastoral Plan for Pro Life Activities through four areas: prayer and worship, education, pastoral care, and public policy.

Duties
Read and become familiar with the United States Conference of Catholic Bishops' Pastoral Plan for Pro Life Activities.

Actively promoting a renewed respect for human life is the responsibility of every Catholic. The parish pro-life committee assists in a special way by helping to make the parish a center of life, a place where parishioners understand the issues and the importance of meeting the needs of those who are most vulnerable—especially mothers and their unborn children, and those who are seriously ill or dying and their families. It may be a distinct committee, or it might be a subcommittee of another parish organization. Whatever its structure, its membership should include representatives of both adult and youth parish groups, members of organizations that represent persons with disabilities, persons of minority cultures, and those responsible for education and pastoral care.

The chairperson of the parish committee is appointed by the pastor, and it is important that the two be able to work well together. The chair recruits volunteers to help meet the needs the committee serves. Parish committees should be mindful of the need for renewal from time to time in regard to membership, talents, and interests.

The parish committee relies on the diocesan pro-life director for information and guidance.

How to Start a Respect Life Committee in Your Parish or Church

Actually, it's easier than you think!

Step 1: Read the "PASTORAL PLAN FOR PRO-LIFE ACTIVITIES OF THE BISHOPS OF THE UNITED STATES."

Step 2: It is imperative that you have the support of your Pastor. You may want to work with him on developing a mission statement for your ministry so that your role and scope are clearly defined. Let him know that your committee will handle the details always with his consent.

Step 3: Clear a date on the parish calendar...pick a night when both the school and parish calendars are clear so that nothing interferes with your PARISH/CHURCH INFORMATION NIGHT.

Step 4: Set the date, publish three weeks in advance in your parish bulletin, and through the school notes sent home with the children, that there will be a speaker and film presentation on the pro-life issue.

Step 5: Hold the meeting; have a sign-in sheet with name, address, phone number, email and area of interest.

Step 6: Invite the following to be representatives on your committee: PTA President or (Spiritual Director of PTA), K of C Representative, Parish Council Representative, Liturgy Committee Rep., Rosary Guild, Altar Society.

Step 7: Meet as a parish committee as necessary - often this will only be as often as an event needs to be publicized. Your committee should meet at least quarterly so that your long and short range goals are being accomplished.

Primary Goals of the Parish Pro-Life Committee

To Become Informed on the life issues (abortion, infanticide, stem cell research, cloning, assisted suicide and euthanasia). Often conferences are held by your diocesan Respect for Life Office which will offer a conference or workshop which is geared to education volunteers on important life issues.

To Keep Informed on the current status of the life issues by subscribing to key pro-life publications and by visiting the following websites:
- http://www.diometuchen.org/deptsministries/respect-for-life/
- http://www.nchla.org/

To Inform Others within the parish community, with the assistance of the pastor and parish priest(s) of the sanctity of human life, of the radical nature of the Supreme Court
abortion decisions and of the consequent need to restore legal protection for all human life through protective legislation both at the state and national level.

To Recruit Volunteers through the use of Volunteer Interest Surveys, personal contact and other means, those members of the parish who are interested in becoming involved in efforts to restore respect for human life and secure legal protection for the unborn.

To Organize those who have been informed and recruited into various projects designed to:

Pray individually and with others for the restoration of respect for all human life.

Educate within the parish on the life issues.

Respond to action alerts distributed by the NJ Catholic Conference (NJCC) and National Committee for Human Life Amendment (NCHLA) regarding state and national level.

Express support for pro-life legislation to legislators at the local, state and national level.

Raise funds for local and state pro-life activities and for local pregnancy help centers.

Stimulate support for membership in local and state pro-life organizations.

Focus attention on the life issues at key times during the year, namely on January 22\textsuperscript{nd}, anniversary of the infamous Supreme Court abortion decisions, and on Respect Life Sunday, which is the first Sunday of October.

Support Service Projects to aid the elderly, the handicapped, the poor, distressed pregnant women, women and men suffering the aftereffects of abortion, etc.

**Jesus, Mary and Joseph, I love you very much.  
I beg you to spare the life of the unborn child  
Who I have spiritually adopted who is in danger of abortion.  Amen.  
Archbishop Fulton J. Sheen**

---

**Purpose of the Program:** To have the parish/school community praying for unborn babies who may be in danger of abortion and to educate the community about the development of the baby over the nine-month period before birth.

Note: This program can be condensed to run over a nine-week period, each week representing one month of pregnancy.

++++++++++++++

**Instructions:**

**Step 1.** Meet with pastor/principal/teachers to discuss the program.

**Step 2.** Place a bulletin insert in the parish bulletin/school newsletter  
(2 Weeks before Program begins.) or send out a notice announcing the program.  
(See Sample Announcement 1. and 2.)

**Step 3.** Print up pledge cards on heavy card stock and cut the individual cards. Distribute to parishioners after Mass. For students, you may wish to distribute the pledge cards at prayer time or after a first
Friday Mass. Pledge cards need not be collected.

Step 4. Distribute prayer cards with Archbishop Fulton Sheen’s prayer. Prayer posters can be used in the classrooms to help students include this prayer in their daily prayers.

Step 5. In the weeks and months following the start of the program, thank those who are participating in the program and remind everyone to continue with their daily prayer.

Step 6. Place the information (see attached) regarding the development of the unborn child in the womb for each month, in the parish bulletin. Teachers should be asked to read this information to the students each month so that students can learn about the baby’s development. Fetal models can be used as a visual aid.

Step 7. Plan a baby shower and ask parishioners/students to bring a new baby item to Mass to celebrate the “birth” of their spiritually adopted baby.

Sample Announcement #1
Everyone loves the beauty and innocence of a baby. As an expression of that love, our parish/school announces an adoption program for young and old alike. The members of our parish/school community will soon have the opportunity to spiritually adopt a child who is newly conceived. You see not all babies are allowed to be born. In fact, almost 4,000 babies lose their lives to abortion each day. It is these babies, who are in danger of having their lives ended before birth, that you are being asked to spiritually adopt.

You may “adopt” a baby individually or as a family by signing a pledge card. You will be asked to name the child for whom you will be praying, thereby giving the baby the humanity he or she deserves. You will be asked to pray a simple daily prayer for this baby.

You will receive monthly reports describing your baby’s development and your child will be born in nine months.

There are millions of babies in our country who are in desperate need of your prayers. Please spiritually adopt one and share the love for life that God has given you!
Sample Announcement #2

In 1973, a court decision was rendered legalizing abortion throughout the entire nine months of pregnancy. This decision, known as Roe v. Wade, is the reason why 1.6 million abortions are permitted in the United States each year. This enormous number of deaths can be numbing for us. Each of us wonders, “What can one person do to end this horrible period in our nation’s history?” We can pray!

That is what you are asked to do today. Please make a personal commitment to pray for one unborn baby who is in danger of being aborted. You are being asked to “spiritually adopt” this one unknown baby for the next nine months. You will pray daily for this baby and for the baby’s mother, that this baby will be carried to term and experience the fullness of life – a life that our Heavenly Father gave to him or to her.

Please complete the pledge cards. You may use the Archbishop Fulton Sheen’s prayer or you can make up your own. Please pray daily for the baby and her mother. Your prayers can help the woman contemplating abortion choose Life over death. Please share the love of life given to you by the Lord of all Life and join the Spiritual Adoption Program.

Monthly Reports on Developing Baby/Bulletin Inserts or Read Aloud to Class

Month One Developing Baby

Your spiritually adopted baby has been quite active over the past month. Already you baby is 10,000 times bigger than at conception. Your baby has developed the foundations of the brain, spinal cord and nervous system by the 20th day. His heart began to beat on the 21st day and is pumping blood through its own circulatory system. Your baby is most vulnerable during this next month of being aborted. Pray that the Lord of Life might move the heart of the mother to give him the most precious gift of all – the gift of life.

Month Two Developing Baby

Your baby is making progress developing all of his external features and internal organs. Her brain is functioning at 40 days. Her mother can hear her heartbeat now with an ultrasound stethoscope. Her milk-teeth buds are present at 6 ½ weeks. It is reported that at two months she can suck her thumb!

From this moment onward, your spiritually adopted baby grows and refines her body. But everything she needs to survive once she is born is already present by the end of the eighth week.

Month Three Developing Baby

Your baby is quite active in the womb now – although his mother won’t feel him for another couple of months. If his mother’s womb had a window, you could watch your spiritually adopted baby squint, swallow and move his tongue. He can make a tight fist if you touch his palm. He obtains oxygen his body needs through the umbilical cord. The baby you are praying for weighs about one ounce. What a miracle he is!
Month Four Developing Baby
Well, your little baby now weighs 6 ounces. She has fingernails and eyelashes. She has her own unique fingerprints which all remain unchanged until she dies. Her taste buds are working.
Her sense of hearing is present at 14 weeks. There are no major bodily developments anymore. Your spiritually adopted baby is already well formed internally and externally. All she needs now is time to gain weight and to grow strong.

Month Five Developing Baby
Your spiritually adopted baby weighs over one pound now. His mother can now feel him moving. Before, he was too small for her to feel. Although he swam with ease in his watery world, he needed to be big and strong enough to kick hard against the uterine wall and dent it – the inside uterine wall has no feeling.
You are midway through the pregnancy now. Your prayers have helped your baby’s mother continue her pregnancy and seek the help she needs.

Month Six Developing Baby
Your spiritually adopted baby is growing beautifully now. Her weight is approaching two pounds. Babies that are born prematurely at this time have a very good chance of surviving. The medical advances in caring for extremely small newborn infants are extraordinary indeed!

Month Seven and Eight Developing Baby
You are in the home stretch with your spiritually adopted baby. He is completely formed and has been since about 8 weeks. All he is doing now is gaining weight and making his mom uncomfortable with his size. In a short time the baby will be born. His mother has plans to take him home or to place him for adoption into a loving family. She knows she can receive assistance from the church and the pregnancy help centers. Your baby’s mother appreciates the prayers that you have said for her and her baby throughout her pregnancy. It has not been easy, but your prayers have given her the grace to seek the help she needs.

Week Before Program Ends
Next week we will conclude our Spiritual Adoption Program. We are planning a baby shower to celebrate the birth of all those babies who will be born because of your prayers. We will be collecting baby items such as____________________________________________.
Please bring your item to church/school next week. (Place a bassinette in back of church or in school office for collection of items).
Happy Birthday Adopted Baby

Your spiritually adopted baby was born this month – nine months after her mother conceived her. The only change at birth is a change in her external life support system. She is no different now than she was before birth except that she breathes and eats differently. He is truly a miracle! He began as a cell and has developed over the past nine months into a unique human baby. Never before in history, nor ever again, will anyone exist who is just like your spiritually adopted baby. You may never meet the mother and baby but your prayers saved his life! Thank you!

Due Date__________
**Procession**
After all have assembled, a priest or deacon, wearing cope and humeral veil, brings the Blessed Sacrament to the altar for adoration in a monstrance. He may be accompanied by altar servers with candles. A suitable song may be sung (e.g., O Salutaris Hostia).

The Blessed Sacrament is placed on the altar. The presiding minister then kneels before the altar and incenses the Blessed Sacrament. The opening song is concluded, followed by a period of silent prayer.

**Opening Prayer**
O God,
who adorn creation with splendor and beauty,
and fashion human lives in your image and likeness,
awaken in every heart
reverence for the work of your hands,
and renew among your people
a readiness to nurture and sustain
your precious gift of life.
Through our Lord Jesus Christ, your Son,
who lives and reigns with you in the unity of the Holy Spirit,
God, for ever and ever.
R. Amen.

**Liturgy of the Word**

**First Reading**
A reading from the Book of Genesis 1:24-31a
Then God said,
“Let the earth bring forth all kinds of living creatures:
cattle, creeping things, and wild animals of all kinds.”
And so it happened:
God made all kinds of wild animals, all kinds of cattle,
and all kinds of creeping things of the earth.
God saw how good it was.
Then God said:
“Let us make man in our image, after our likeness.
Let them have dominion over the fish of the sea,
the birds of the air, and the cattle,
and over all the wild animals
and all the creatures that crawl on the ground.”
God created man in his image;
in the image of God he created him;
male and female he created them.
God blessed them, saying:
“Be fertile and multiply;
fill the earth and subdue it.
Have dominion over the fish of the sea, the birds of the air,
and all the living things that move on the earth.”
God also said:
“See, I give you every seed-bearing plant all over the earth
and every tree that has seed-bearing fruit on it to be your food;
and to all the animals of the land, all the birds of the air,
and all the living creatures that crawl on the ground,
I give all the green plants for food.”
And so it happened.

God looked at everything he had made, and he found it very good.
The word of the Lord.
All: Thanks be to God.

Respensorial Psalm (Psalm 139:1b-3, 13-14b, 23-24)
R. Guide me Lord, along the everlasting way.
O LORD, you have probed me, you know me:
you know when I sit and stand; you understand my thoughts from afar.
My travels and my rest you mark; with all my ways you are familiar.
R. Guide me Lord, along the everlasting way.
You formed my inmost being; you knit me in my mother's womb.
I praise you, so wonderfully you made me; wonderful are your works!
R. Guide me Lord, along the everlasting way.
Probe me, God, know my heart; try me, know my concerns.
See if my way is crooked, then lead me in the ancient paths.
R. Guide me Lord, along the everlasting way.
Gospel Acclamation
R. Alleluia, alleluia.
I am the living bread that came down from heaven;
whoever eats this bread will live forever. (Jn 6:51)
R. Alleluia, alleluia.

Gospel
A reading from the holy Gospel according to Matthew
(Mt 18:1-5, 10, 12-14)
The disciples approached Jesus and said,
“Who is the greatest in the Kingdom of heaven?”
He called a child over, placed it in their midst, and said,
“Amen, I say to you, unless you turn and become like children,
you will not enter the Kingdom of heaven.
Whenever becomes humble like this child
is the greatest in the Kingdom of heaven.
And whoever receives one child such as this in my name receives me.
“See that you do not despise one of these little ones,
for I say to you that their angels in heaven
always look upon the face of my heavenly Father.
What is your opinion?
If a man has a hundred sheep and one of them goes astray,
will he not leave the ninety-nine in the hills
and go in search of the stray?
And if he finds it, amen, I say to you, he rejoices more over it
than over the ninety-nine that did not stray.
In just the same way, it is not the will of your heavenly Father
that one of these little ones be lost.”
The Gospel of the Lord.
All: Praise to you, Lord Jesus Christ.

**Homily**

**Silent Prayer or Recitation of the Rosary**

**The Lord’s Prayer**
The presiding minister then sings or says:
Now let us offer together the prayer our Lord Jesus Christ taught us:

All: Our Father…

**Benediction**
At the conclusion of the Lord’s Prayer, the presiding minister goes to the altar,
genuflects, and then kneels. As he kneels, Tantum Ergo or another suitable
Eucharistic song is sung and he incenses the Blessed Sacrament. After the hymn is
finished, he rises and sings or says:
Let us pray. After a brief period of silence, the presiding minister continues:

Lord Jesus Christ, (HCWEOM, 98)
you gave us the Eucharist
as the memorial of your suffering and death.
May our worship of this sacrament of your body and blood
help us to experience the salvation you won for us
and the peace of the kingdom
where you live with the Father and the Holy Spirit,
one God, for ever and ever.
All: Amen.

After the prayer, the presiding minister puts on the humeral veil, genuflects, and takes
the monstrance. (Those gathered should be kneeling.) He makes the sign of the cross
with the monstrance over those gathered, in silence. The presiding minister removes
the humeral veil and resumes kneeling in front of the altar to lead those assembled in
the Divine Praises.
Each acclamation is repeated by all together.
Blessed be God.
Blessed be His Holy Name.
Blessed be Jesus Christ, true God and true man.
Blessed be the name of Jesus.
Blessed be His Most Sacred Heart.
Blessed be His Most Precious Blood.
Blessed be Jesus in the Most Holy Sacrament of the Altar.
Blessed be the Holy Spirit, the Paraclete.
Blessed be the great Mother of God, Mary most holy.
Blessed be her holy and Immaculate Conception.
Blessed be her glorious Assumption.
Blessed be the name of Mary, Virgin and Mother.
Blessed be Saint Joseph, her most chaste spouse.
Blessed be God in His angels and in His Saints.

**REPOSITION**

After the Divine Praises, the presiding minister removes the Blessed Sacrament from the monstrance and returns it to the place of reservation. Thereafter, a hymn is sung (e.g., Holy God We Praise Thy Name), and the presiding minister and the servers bow to the altar and leave.

Mass for Families and their Unborn Children

A special Mass for families and their unborn children draws attention to the joy and anticipation of families and unborn life.

Instructions

• Talk to your pastor about the special Mass. Secure his permission and a day and time from him to schedule the Mass.
• Reserve the parish hall for a reception after the Mass and ask a parish organization to help with the reception.
• Plan and implement the promotion of the Mass. Bulletin announcements, bulletin inserts, posters, and pulpit announcements are some ways to promote this within the parish. Start the promotion at least 3 weeks before the scheduled event.

A sample:

Mass for Families and Their Unborn Children
Are you expecting the birth of a new baby in your family? Our parish wants to celebrate with you the wonderous gift of life given to you by God. This special celebration will be on (date) at (time) in the church. A reception will follow for all parishioners in the parish hall. Please call (Name) at (phone number) for more details. All are invited to attend and share in this joyous time of anticipation with the families and their unborn child.

• Decide on a special gift for the mothers of the families, e.g. a medal, a holy card, a flower. Send a written invitation to families who signed up to come.
• Put together a booklet for the Mass with the help of your pastor or liturgical minister after the music and readings have been selected. Ask for the help of the choir and organist.
• Share the suggested prayers and blessings following these instructions with your pastor for possible use during the Mass.

On the Day of the Mass

• Have some volunteers prepare, set up and decorate the church and the parish hall before the Mass.
• Designate someone to seat the expectant families in specially marked and reserved pews. Designate someone else to hand out the booklets near the entrance.
• Ask one of the families to be the gift bearers.
• Have your pastor bless the special gifts during the Mass and distribute them to the families at a time he suggests during the Mass. At this time your pastor may also give the expectant families a special blessing.
• Have your pastor remind families about the reception to follow and thank everyone present for attending the event.
**Suggested Prayers**
The Prayer of the Faithful, Blessing 1 and Blessing 2 are reprinted from the Mass for Expectant Families outline distributed by the Office of Christian and Family Development of the Archdiocese of New York.

**Penitential Rite**
As we begin this liturgy in honor of the Holy Family, we reflect on our own family relationships, so that our homes may be filled with peace, love, and forgiveness.

Lord Jesus, Word of the Father, you have made your dwelling among us, Lord have mercy.

**Lord have mercy.**

Lord Jesus, born into a human family, you enriched our human love, Christ have mercy.

**Christ have mercy.**

Lord Jesus, child of Mary and Joseph, you sanctified family life, Lord have mercy.

**Lord have mercy.**

**Prayer of the Faithful Response: Lord of life, hear us.**
• For the safety, strength, and salvation of these expectant mothers, let us pray to the Lord.
• For the husbands, that they may give support to their wives and gain new peace and wisdom for their own calling, let us pray to the Lord.
• For all mothers, especially those gathered here today, that they may give new life to those already born, let us pray to the Lord.
• For our families, that they may find strength in the sharing of the Eucharist and enjoy peace and harmony in their hearts and homes, let us pray to the Lord.
• For God's Church everywhere, that it may understand its calling to be his family here on earth, let us pray to the Lord.
• For all those gathered here in hope and thanksgiving, that we may be faithful to our vocations, as priests, mothers, fathers, searchers, let us pray to the Lord.

**Blessing Prayer Before Offertory**
Celebrant: *God has given His angels charge over you.*
People: **To guard you in all your paths**
Celebrant: *Save these your servants who trust in you, O Lord.*
People: **And watch over them from heaven.**
Celebrant: *Send them aid from your Holy Place.*
People: **And do not let the power of evil harm them.**
Let Us Pray: Almighty everlasting God who by the childbearing of the Blessed Virgin Mary has brought joy to all Christian mothers, look with kindness on these your servants who come today to your holy dwelling to find your love and your strength. Be ready, O God, to give them your choicest blessing. May the children carried in their holy wombs come forth into this world in health and holiness. Together may these mothers and their children grow in devotion and life. Comforted by your protection and aided by the intercession of the Blessed Virgin Mary, may these mothers and their children and families find happiness here on earth and everlasting joy in the home prepared by you for them in the dwelling of eternity. We make our prayer through Christ our Lord. Amen.

Blessing Prayer After Communion
Celebrant: The Lord be with you.
People: And also with you.
Celebrant: O, Lord hear my prayer.
People: And let my cry come unto you.

Let Us Pray: Lord God, kind and merciful, Creator of all things, You have shown Your care and concern for all the works of Your hand. By the power of the Holy Spirit, You prepared for the body and soul of the glorious Virgin Mary to be a worthy dwelling for Your son. You filled John the Baptist with Your Holy Spirit causing him to leap with joy in his mother's womb. Look with love and compassion on these mothers, Your humble servants, who seek Your blessing for themselves and the child You have allowed them to conceive. Guard the life that is Yours. Insure the safety of their pregnancy. Let your gentle hand, O God, like that of a skilled physician aid them in their delivery. In the pains of their labor may they remember the promise of your joy. May the children of these good mothers come to the joyful experience of rebirth in the saving waters of Baptism. Like Jesus, Your Son, may the children soon to be born grow strong in wisdom, age, and grace before Your eyes. And may the blessings promised to the compassionate descend in abundance upon these expectant mothers and fill them, their husbands and their homes with your power, peace, and protection. We make our prayer through Christ, Our Lord. Amen.
LEGISLATIVE ADVOCACY....
Ten Steps to Composing Persuasive Letters & Faxes

1. **Identify Yourself as a Constituent.** Put your name and complete address on both the envelope and the letter. Legislators will only feel compelled to respond to constituent mail, so it's important to establish immediately that you live in the district.

2. **Use Proper Forms of Address.** Address your lawmaker as "The Honorable." Also, be sure to get their title correct, e.g. Senator, Representative, Assembly member. Use "The Honorable" in the address and the office title in the salutation (Dear Senator Smith). Courtesy is important and will make the legislator or staff more receptive to your message.

3. **Be Brief and Simple.** Keep your letter to no more than two pages. Try to stay on one page. In the first paragraph, state your purpose and what you want. Avoid the temptation to be comprehensive in explaining the legislation and making all possible arguments.

4. **State (and Repeat) Your Position.** Make your position and/or request clear in both your opening and closing paragraphs. Be specific. State what action you want. If you want to advance a piece of legislation, say so. If you want to know the legislator's stand on an issue, ask what it is. If you want support on a particular issue, request it and a response.

5. **Personalize Your Message.** A personal letter is much more effective than a form letter. While form letters, postcards, and petitions are read and counted, they don't carry the weight of a personalized, individual letter. Persuasive constituent mail humanizes issues by placing them in a local, personal context. When sample letters are provided for your use, incorporate your own words and personal perspective into the text.

6. **Be Polite and Avoid Ultimatums or Rudeness.** Everyone responds better to praise than criticism. Threats and ultimatums do little to convince a legislator to adopt your position. And, if a legislator does take the course of action that you suggest, send them a note of thanks. This will only help build your long-term relationship with the legislator/staff.

7. **Do Not Enclose Additional Material.** Additional reports or newspaper articles are rarely read or filed. If you have a particularly useful resource, mention it in your letter and offer to provide a copy upon request. Overwhelming an office with paper runs the risk of your letter being discarded along with the offending pile of paper.

8. **Do Not Exaggerate or Lie.** Stick to your facts and experiences. Stories or facts fabricated to prove your point only run the risk of undermining your credibility. Many legislators and staff become adept at spotting a tall tale.

9. **Make Your Message Timely.** Don't procrastinate. Your letter is not helpful if it arrives after a vote. Be aware of the legislative process (is the bill in committee or coming up for a vote on the floor) and time your letter accordingly. Faxes expedite your message.

10. **Keep a Copy of your Letter**
Tips for Sending Effective E-mail to Elected Officials

1. **Put Your Name and Address at the Top of Message.** The first thing your representative wants to determine is if you live in his or her district. If you don't Representatives and staff do not have any obligation and little time to read messages from people who are not constituents, so it is vital that you make it clear that you live in the district.

2. **Humanize Your Message.** This is one of the most important things you can do to ensure your e-mail makes an impact. Many people are uncomfortable sharing their feelings or talking about their own experiences, or believe that such information is inappropriate to the legislative process. Yet, it is this information that separates one's message from the standardized, bulk messages drafted by interest groups. These messages are more likely to be read than simply tallied.

3. **Be Brief.** Members of Congress and their staff are extremely busy. Respect their time and try to tell them only what they need to know. Two or three paragraphs should be sufficient. Do not feel that you have to make every single argument that relates to the issue, only the strongest points you can make.

4. **Be Clear About Your Position.** Your request should be stated as a concrete, actionable item, e.g., "I would like you to support H.R. 100."

5. **Make Your Message Timely.** Send your message when the legislation is being considered. Your message is worthless if it arrives after a critical vote.

6. **Don't "Flame."** You are allowed to disagree with your member of Congress, but you will not be effective if you abuse or threaten them. Abusive letters seem more desperate than intimidating to the recipient, and they are seldom taken seriously.

7. **Avoid Attachments.** Congressional offices rarely print or read attachments to e-mail. Offer to provide supporting documents on request, but avoid sending attached files.

8. **Don't Become "Spam."** Do not send Congress a message every single day about every issue you read about or develop an opinion on. An office that receives numerous messages from a single person quickly loses sight of the urgency or expertise that the constituent can bring to a specific issue.

9. **Establish Your Credibility.** Explain if you are an expert in some area. Also, do not shy away from saying that you are either a personal supporter or a party supporter (but never imply that because you voted for somebody or contributed money to their campaign that they owe you a vote).

10. **Don't Lie.** Political professionals are adept at spotting a tall tale. Any story that sounds too perfect or any statistic that is not substantiated will not bolster your position.
11. **Don’t cc Everybody.** Resist the urge to send a copy of your message to every member of Congress. You will persuade no one and annoy everybody. A legislative office wants to know that you have appealed to them for specific action, not just sent them a copy of a memo distributed to all.

12. **Proofread Your E-mail.** Too often the speed and ease of sending e-mail is reflected in poor grammar and sloppy spelling. Even if a congressional staffer is able to determine your meaning, such errors reflect badly on your overall argument. Take a break before you press "send," and proof your message.
Organizing a Phone Tree

Perhaps the single most important step an advocate network can take is to prepare itself for a campaign is to create a phone tree. Sometimes, all it takes is just a dozen phone calls or a handful of letters to change a policy.

What is a Phone Tree?
A phone tree is a network of individuals who agree to make a couple of phone calls, usually one to an elected official, and one or two to others on the phone tree. Phone calls can also be used to alert advocates about urgent issues, such as legislation moving to a vote or a public hearing on an important issue.

There are different ways to construct a phone tree. Usually, one person is designated the tree coordinator, while everyone involved in the issue identifies and recruits potential phone tree participants. People who have expressed an interest in an issue but don’t have time for regular meetings are often happy to be part of a phone tree.

Typically, when a phone tree is utilized, the coordinator contacts one or more activists in the network and conveys information about the action that needs to be taken (for example, “Please call Senator Smith and urge her to support bill X. After you place your call to the Senator, be sure to call the next two members of the phone tree”). Each advocate calls others until everyone in the network has been reached.

The last contacts on the phone tree then report back to the coordinator to ensure he or she knows the process has been completed. This “loopback” mechanism is important, as is regular updating of contacts in the tree. If a phone tree is missing “branches,” you have the illusion that action is being taken when, in fact, your message is not getting out.
Phone Tree Instructions:

- When the Congress or state legislature is in session, your diocesan Respect Life Office will send periodic legislative alerts on pro-life legislation. When you receive an alert, you will activate your phone tree.
- Supply your phone tree volunteers with the names and contact information for your Governor, state legislators, Congressional representative and United States Senator. If you don't know, call your Diocesan Respect Life Office.
Political Activity: Do’s and Don’ts for Parishes

Do’s

Organizing a Bus Trip to the March for Life in Washington, DC

Running a bus trip to the annual March for Life in Washington, DC takes a significant amount of time, effort and coordination but can be a very rewarding experience for all who participate. For many, the bus trip is a journey towards deeper commitment to the cause of life. The March itself can be an energizing source of encouragement. The March is held on January 22 each year which is the anniversary of the infamous Supreme Court in *Roe v. Wade* in 1973 which legalized abortion.

The March has 3 components: 1) the rally which is held near the Washington monument, 2) the 1 ¼ mile march to the Supreme Court, 3) the lobbying effort when you visit your congressman’s office.

Financing the Trip
With the cost of gas renting a bus is quite expensive. You may need to consider doing fundraising well in advance of the trip. Selling “roses for life” on Respect for Life Sunday is a common fundraising effort. You may also consider contacting your local Knights of Columbus to get them involved. Often times several parishes will work together to share a bus.

Contact you local bus company to find out how much it will cost for the bus trip. You may want to shop around for the best price. It is also customary to tip the bus driver at the end of the trip. The bus is usually required to park at RFK Stadium. There is a small parking fee.

You may want to ask riders to pay a fee to help defray expenses. There are typically 49 seats on the bus and, of course, a full bus is always desired. The bus usually stops once on the way to Washington, DC and once on the way back for a quick food/bathroom break. It may be wise to ask your passengers to bring a bagged lunch and drinks and snacks for the ride. Sometimes the sponsors of the trip will provide coffee and donuts for the morning of the trip.

Once at RFK Stadium, the riders will need to enter the subway for a short ride to the rally site. The subway pass costs about $2.00 for a round trip. These can be purchased that day or in advance.
Specific information about the March for Life can be found at http://www.marchforlife.org/.

Steps in planning the Trip:
1. Contact the March for Life Committee and get on their mailing list. They will send information about the March such as starting time, routes, where to get subway passes and order forms for the March journal. March for Life, P.O. Box 90300, Washington, DC 20090 (202-LIFE-377).
2. Order the bus. This should be done sometime in October. If you can get one with a DVD player it helps to make the trip more enjoyable.
3. If you are planning a special Mass said that morning for the marchers, arrange for a priest to celebrate the Mass well in advance.
4. Organize a food committee to prepare for the trip such things as water, snacks, coffee and donuts.
5. Order subway passes. This will help you to avoid long lines the day of the March.
6. Place bulletins inserts in the parish bulletin announcing the trip and giving contact information for those who would like to go.
7. Make sure you let all those who register know that the trip is a long, cold day and that they should dress appropriately.

Rally for Life in Trenton

Some parishes and schools will run a bus trip to the Rally for Life in Trenton. This event is usually 11:00 am to 1 pm at the Statehouse Steps in Trenton. More information can be obtained by contacting New Jersey Right to Life at http://www.njrtl.org/. Many pro-life champions and state representatives speak at this rally.
**Bulletin Inserts**

Bulletin Inserts in the weekly bulletin can be an extremely effective way to educate the “people in the pews.” Bulletin inserts can be obtained from your diocesan Respect Life Office or from the USCCB Word of Life series, http://www.usccb.org/prayer-and-worship/resources-for-the-eucharist/word-of-life/.

All bulletin inserts must be submitted to the parish office in a timely manner and need to be approved by the pastor. Here are some samples:

### Did you know?

According to the website of the Alan Guttmacher Institute, **43% of women will have had at least one abortion by the age of 45**. That’s a lot of abortion, and a lot of pain. Those who suffer from the aftereffects of this procedure and seek guidance and counseling may call the National Office of Post-Abortion Reconciliation and Healing at **1-800-5-WECARE** or the local Post-Abortion Healing Ministry, Project Rachel at ____________(insert local info).

### “We cannot diminish the value of one category of human life—the unborn—without diminishing the value of all human life...there is no cause more important.”

Promote the culture of life; our future depends on it.

Ronald Reagan

### “God’s love does not distinguish between the infant in the mother’s womb or the child or the youth or the adult or the older person. In each one God sees His image and likeness. Human life is a manifestation of God and His glory.”

Pope Benedict XVI

---

### “As believers in God, how can we fail to see that abortion, euthanasia and assisted suicide are a terrible rejection of His gift of life and love? And as believers, how can we fail to feel the duty to surround the sick and those in distress with the warmth of our affection and support that will help them always to embrace life?”

Pope John Paul II

What is better for a woman to remember: I gave my baby life, and because I loved him I gave him into the arms of a loving couple? Or to remember, I ended my baby’s life by abortion. Choose life.

### “Most studies that have been conducted over the past 20 years have indicated that improving access to contraception did not significantly increase contraceptive use or decrease teen pregnancy.”

Let’s Go to the Fair

Many parishes have a fair or carnival every summer. Tables are made available for a fee. The Respect Life Committee can provide the community with pro-life educational materials by renting an exhibit table at the fair.

4-6 weeks prior to the Fair

- Contact the person in charge of renting the exhibit tables and reserve table for the Respect Life Committee.
- Make an eye-catching banner or backdrop for your table. You may wish to get your parish school students or youth group to help.
- Pro-Life brochures and “give-aways” are available from a variety of pro-life companies (www.lifecyclebooks.com, www.hh76.com). Order your brochures and other items. Try to provide an assortment of brochures on topics such as: abortion, stem cell research, cloning, adoption, end-of-life issues.
- Find out from the Fair Coordinator if there is electricity available. If so, you may want to borrow a DVD Player to show a video of fetal development such as Preview of a Birth.
- Arrange to borrow a set of fetal models. Often times you can borrow these from your local pregnancy help center or your diocesan Respect Life Office.
- Consider using this time to raise funds for other pro-life projects during the year. Consider raffling something off or selling homemade baked goods.
- Remember to get a list of volunteers to man the table for various time-slots throughout the Fair.
- You may wish to reserve a table at your county fair as another way of educating the community.
**Host a Pro-Life Speaker**

As you know, there is a wide spectrum of pro-life issues such as: abortion, stem cell research, cloning, reproductive technologies, infertility, chastity, end-of-life issues, euthanasia, physician-assisted suicide and the death penalty.

It is important to help educate our fellow Catholics, as well as the general public, about these issues.

You may wish to host a pro-life speaker to address one of these areas.

- Speak to your pastor about bringing in a speaker and schedule a date for an event.
- You may wish to bring a speaker to a parish group which already meets regularly to ensure a good turnout (ie: Rosary Altar Society, Men’s Club, Seniors’ Group, Youth Group). If so, contact the person in charge and discuss your idea.
- Contact your diocesan Respect Life Office to discuss what speakers are available and approved. Often the Respect Life Office will have a Speakers Bureau and can provide a list approved speakers and topics. It is important to make sure you check that the speaker you invite will adhere to the Church’s teaching on the topic being addressed.
- Publicize your event in the parish bulletin and with pulpit announcements.
- Purchase handouts which you can distribute at the event.
- Make sure to sign up volunteers from your committee to help with refreshments and set-up for the event.
- Prepare a sign-in sheet and an evaluation form so that you can discuss how effective the event was when it is over.
USCCB Respect Life Program Packets

The Respect Life Program begins anew each year on Respect Life Sunday, the first Sunday in October. The program is highlighted in liturgies and marked by special events. The USCCB Secretariat for Pro-Life Activities publishes a program packet each year to call attention to numerous human life issues. Each contains information on current issues, program suggestions, liturgy resources and clip art. It may also contain prayers for daily recitation and parish bulletin briefs. Published in booklet format from 1972 through 1992 and in "user-friendly" packet form since 1993, these materials are especially helpful for priests, parish groups, and other organizations.

Each year the diocesan Respect Life Office orders the program packets for each of the parishes. The packets are either mailed directly to the parish, to the parish representative or distributed at a diocesan meeting. Please contact your diocesan Respect Life Office for more information. Materials are also available in Spanish.

To order program packets from previous years, visit: http://www.usccb.org/prolife/programs/rlp/index.shtml.

Plan to order the Respect Life Program Flyers so that they can be used on Respect Life Sunday, which is the first Sunday of October as designated by the United States Conference of Catholic Bishops.

Plan to post the Respect Life Program Poster in your Parish or School.

Post Abortion Healing

As Parish Pro-Life Representatives it is important to promote these post abortion healing ministries using bulletin inserts and promotional flyers. Please make sure you are familiar with what the ministry is all about so you can easily refer people in need.

PROJECT RACHEL

"Rachel mourns her children; she refuses to be consoled because her children are no more. Thus says the Lord: Cease your cries of mourning. Wipe the tears from your eyes. The sorrow you have shown shall have its reward. There is hope for your future."

Jer.31:15-17

Without a doubt, abortion is one of the most traumatic experiences a person can have.

Both before and after abortion, feelings of fear, anxiety, guilt, panic and pressure are common - not only for the woman who undergoes the abortion, but also for the father of the unborn child, the grandparents, close friends, even medical personnel.

For Catholics, the pain of abortion is intensified by a sense of alienation from God and Church. If you are in this position, we want you to know that your Church understands and cares. We are a loving and forgiving Church reaching out to you in compassion and concern.

Above all, we want to help you through the healing process. You are invited to participate in Project Rachel, a post-abortion reconciliation program. Through the Project, priests have received special training to minister the Sacrament of Reconciliation to people who have been involved in an abortion.

Project Rachel is named for the Old Testament figure who wept inconsolably over the loss of her child.

What You Can Expect

Project Rachel, like the Sacrament it includes, is a sensitive, private and confidential experience. If you wish, you can be put in touch with a priest outside your home community. Your meeting with the priest will focus on preparation for the Sacrament of Reconciliation. Generally, the process will include counseling prayer and scripture.

Also available to you as part of Project Rachel is counseling with Project Rachel professional counselors. Such counseling, before and/or after the Sacrament of Reconciliation, can help you sort through your feelings and deal with unresolved conflicts.

In brief, Project Rachel represents a means for you to receive the healing grace of God as well as official Church forgiveness for abortion. It allows you, in a caring and hopeful
context, to move toward reconciliation - with yourself, your unborn child, your family, your church and your God.

**How to Begin**

To initiate your participation in Project Rachel, we ask you to contact the Respect Life Office by letter or telephone for referral to a priest or counselor. Again, we want to assure you that your communication with Project Rachel will be treated with respect and sensitivity.

The Respect Life Office maintains a complete list of priests and counselors.

**RACHEL'S VINEYARD**  
*(A Psychological and Spiritual Journey of Post-Abortion Healing)*

Rachel's Vineyard is a weekend retreat for post-abortive men and women, created by Dr. Teresa Karminski-Burke, Ph.D. It is a beautiful opportunity for healing and reconciliation for any man or woman who has struggled with the emotional or spiritual pain of an abortion. During the weekend, we gather as the suffering Body of Christ, and minister to each other in His name. We focus on God's forgiveness, compassion and mercy. There are psychological exercises which help work through repressed grief and anger and many spiritual exercises to help you grieve the loss of your unborn child and accept God's forgiveness. The Sacrament of Reconciliation is also available. The retreat concludes with a Memorial Service and Mass of Resurrection.

The following are excerpts from women who have attended Rachel's Vineyard Weekend:

"I experienced a great inner healing as a result of attending the post-abortion retreat. I would highly recommend this retreat to any woman who has felt the void and shame of the abortion experience. It is a wonderful way to forgive yourself, find the unconditional love of Christ and grieve the loss of your little child."

"To any women considering the need to reconcile their abortion, the retreat is a wonderful gift you could give to yourself. You are able to experience the sadness, grief, and shame in the company of other women and men feeling very much of the same. You are able to turn this pain into hope among nurturing counselors and supportive caretakers. You are not rushed or hurried, but given time to reflect and open to the healing process gradually. In the spirit of penance and reconciliation this retreat addresses the pain and suffering of women who feel their sin of abortion has outcast them from their church and their faith."

"I was terrified to take that first step forward and participate in Rachel's Vineyard. It seemed safer to remain hiding in the darkness, keeping the pain locked up deep inside rather than to risk exposing my shame to another soul. Now I am grateful to have experienced God's healing and forgiveness with other women in an atmosphere of complete acceptance and trust, Rachel's Vineyard has been a blessing to me."

"I recommend this retreat for anyone seeking closure of an abortion experience that has
felt unresolved. This retreat has made me remember that my abortion was the instrument of my conversion, and that if I can accept that my baby loves me, I can realize that God loves me too. Spiritually I am a lot less empty and restless, and have more peace than before these experiences on the retreat. I’ve also become less isolated with what I have suffered.”

“For 18 years I have been haunted with heavy guilt that no one could take away, tormented by thoughts of what that child would have been like. Through participating in Rachel’s Vineyard, I was finally able to forgive myself. I know that God has given me a peaceful mind, cleansed my heart and has washed away my guilt.”

If you (or a friend) are hurting from an abortion please call the Respect Life Office. Information about weekends across the nation can be found by calling 1-877-HOPE 4 ME.
Baby Bottle Boomerang Fundraising Campaign

This project is a great way to raise funds to support your local crisis pregnancy center. Often time the local Knights of Columbus will plan this fundraiser. Before planning this project, consult with your local K of C chapter to see if they would like to work together on this effort. And, of course, make sure to get permission from your pastor to conduct this project. Pregnancy Help Centers are always looking for volunteers. Contact your local center to see how you can help!

Overview

It’s really simple...it’s called Baby Bottle Boomerang because you distribute empty baby bottles to church congregations and just like a well-tossed boomerang, they come back to you full of coins, currency and checks. And, the bottles can be used over and over again, creating an ongoing fundraising and promotional program within the church community.

The Baby Bottle Boomerang will help your organization to:

- Increase the numbers that hear your pro-life message.
- Elevate the awareness level of your ministry in the community.
- Raise significant funds with relatively low up front costs.

The Baby Bottle Boomerang is simple to conduct, effective in communicating your message, and very productive in raising much-needed funds, regardless of the size of the ministry. It is a simple, convenient way to reach the families and individuals in the churches. No extra meetings or time commitments are required of the participants.

Planning:

1) Order the baby bottles and tags. (there are numerous places that sell the bottles for this fundraiser such as : http://www.hh76.org/bottles/)
2) Obtain permission from your pastor at least two weeks before the fundraiser.
3) Place a bulletin announcement in the parish bulletin the week before.
4) Pro-life volunteers and K of C members should stand at each exit with a supply of bottles to offer one bottle to each family after church.
5) The following week volunteers should be at each entrance with the cartons to receive the bottles before people enter Church. As some people will forget
their bottles, ask to leave a container in the church so people can return their bottles throughout the following week.

6) Count all monies from the bottles, record name and address of all checks so that Crisis Pregnancy Center will be able to mail a thank-you and also develop a mailing list. Enclose a brochure on STD’s for education purposes with thank you note. Refurbish bottles (with new inserts and replacement labels where required). Biggest months are October (respect life month) and January (Anniversary of Roe v Wade). Plan for fund-raisers with elementary schools throughout the year, and with churches wherever possible.

Take the leap of faith and get involved with 40 Days for Life

Have you been to pray at a 40 Days for Life vigil yet? You may ask, “What do I do?” or “What sign should I bring?” The answer is simple; the only sign you really need to bring is yourself, for you represent God’s love.

Before getting involved with the 40 Days for Life campaign, please remember that prayer and fasting are the foundation.

If there is no abortion facility in your town, praise God!

But wherever you are or whatever you’re doing, you can pray to end abortion.

**Prayer and Fasting:**

You can also pray for God’s guidance for those involved in prayer vigils and pro-life action around the country. And please consider fasting. Some people are unable to fast from food for health reasons; that’s understandable. Fasting simply involves renouncing an activity that can put a barrier between you and God. It could be television, the internet, chocolate, coffee, etc. You really can do without it. Take the time you usually spend in those activities and give it back to God.

**Constant Vigil:**

The visible, public centerpiece of 40 Days for Life is a 40-day, round-the-clock prayer vigil outside a Planned Parenthood center or other abortion facility in your community.

Sometimes it is not possible to have 24/7 coverage at the 40 Days for Life site. Usually the coordinator will work out a schedule. Those who are called to stand witness maintain a peaceful and educational presence.
